**PRODUCT DESCRIPTION – DOCUMENT DETECTIVE****SPECIAL ITEM NUMBER 132-33: PERPETUAL SOFTWARE LICENSE****SIN 132-33 / Item 01: Document Detective Perpetual License (V1.X / V2.X / V3.X)**

Document Detective is an electronic document reviewing utility that was designed to comply with the stringent Government “100% reliable human review” requirement stipulated in DIA Manual 50-3 and the Joint Department of Defense Intelligence Information System (DoDIIS)/Cryptologic Sensitive Compartmented Information (SCI) Information Systems Security Standards (JDCSISSS), revision 2, chapter 18, when transferring electronic documents in native formats from higher to lower classified security domains. Document Detective allows the user to select from multiple key word lists that are source and target domain specific. This product was primarily designed to handle Microsoft Word, Excel and PowerPoint documents, but it will also handle Rich Text Format (RTF), HyperText Markup Language (HTML), eXtensible Markup Language (XML), Adobe Portable Document Format (PDF) and text files. Content Control toolbars installed in the Word, PowerPoint and Excel applications allow the user to flatten and filter documents before submitting them to the review tool. A batch file processing capability is also included. Document Detective runs on the individual users desktop and requires Microsoft Office XP (2002) or Office 2003 to operate.

Includes: One year software maintenance (software and documentation updates plus newsletters); unlimited 24/7 access to our online technical support website, 10 hours of support included with the purchase of 10 or more licenses, limited to use within 30 days of purchase. 1 day of training for 12 users is included with purchases of 100 or more licenses, travel expenses not included.

**SIN 132-33 ITEM 02: DOCUMENT DETECTIVE GSA PERPETUAL LICENSE UPGRADE (SUBSEQUENT VERSION)**

Holders of a Perpetual License may upgrade to the immediately subsequent version of the Document Detective software. This is a fully functional version of the software, available to registered users of the immediately previous version of the software at a reduced price. This software license is the same license offered to new purchasers of Document Detective and entitles the user to the same benefits as a purchase at full price (the software includes one year software maintenance (software and documentation updates plus newsletters; unlimited 24/7 access to our online technical support website)

**SIN 132-33 ITEM 03: DOCUMENT DETECTIVE GSA SUBSCRIPTION LICENSE (V1.X / V2.X / V3.X)**

The Document Detective software is offered as a Subscription License (this is offered for a minimum purchase quantity of 50 licenses). This type of license offers the user the software on a subscription basis (subscriptions are valid for a twenty four period). Subscription Licenses includes all of the benefits of the Perpetual License (software and documentation updates plus newsletters; unlimited 24/7 access to our online technical support website). A Subscription License also entitles the purchaser to free upgrades for the Major Versions (version 3.X, etc.) that are offered during the valid subscription period. This license is a fully functional operating version of the software.

**SIN 132-33 ITEM 04: DOCUMENT DETECTIVE GSA SUBSCRIPTION LICENSE RENEWAL (CONTINUING USE)**

Holders of a valid Subscription License may renew their Subscription License for an additional 24 month period for a reduced price (minimum 50 licenses). The renewal is a fully functional Subscription License with all features and benefits of the original Subscription License. This includes software and documentation updates plus newsletters, unlimited 24/7 access to our online technical support website, and free upgrades for the Major Version (version 3.X, etc.) that occur in during the valid subscription period.

**SPECIAL ITEM NUMBER 132-34: MAINTENANCE OF SOFTWARE****SIN 132-34 / ITEM 01: DOCUMENT DETECTIVE MAINTENANCE AND SUPPORT**

Additional Block of 10 hours e-mail technical support.

**SPECIAL ITEM NUMBER 132-50: TRAINING COURSE FOR INFORMATION TECHNOLOGY EQUIPMENT AND SOFTWARE****SIN 132-50 / ITEM 01: DOCUMENT DETECTIVE TRAINING COURSE**

A one-day (8-hour) computer user training course that includes a detailed discussion of the Electronic Document Security (EDS) threat, good electronic document construction techniques for minimizing the EDS threat in Microsoft Office XP (2002) and Office 2003, and instruction on using the Document Detective electronic documents scanning utility and the Electronic Document Review System (EDRS). Courses are taught on-site for 12 students. Travel expenses not included.

**SIN 132-50 / ITEM 02: DOCUMENT DETECTIVE TRAINING COURSE FOR ADDITIONAL STUDENT**

Additional student for 1-day on-site training course provided under SIN 132-50 / Item 01.
